In the event we need to learn digitally, please follow the directions on this page. While not ideal, my expectations for you learning and effort will not change. History is still really fun!

1. **REMIND** - You will need to check this app EVERYDAY! An assignment will be posted, by 7:30 am, and expected to be completed daily.

2. Daily lessons will be posted on the **Freshmen Calendar** - [https://docs.google.com/spreadsheets/d/1fcOV9-wdeZYi1Vg8p0V7dzBgTTx\\_-V5GJyl9r6V9yh0/edit#gid=285839966](https://docs.google.com/spreadsheets/d/1fcOV9-wdeZYi1Vg8p0V7dzBgTTx_-V5GJyl9r6V9yh0/edit#gid=285839966)

This is the same one that Mrs. Melick uses and the link is also posted on my website. Assignments are posted daily, and any links needed. Remember, if you were absent, use the calendar to find what you need to do.

3. Speaking of my website...**ekpozpages** - <https://sites.google.com/site/ekpozpages/> My website can be used as a home base. All links will be there, as well as important information. If you forget a link - check there.

4. All tests will be completed on **Schoology** (<https://www.schoology.com>) Each class period has a code. You are responsible for your password, make it something you can remember.

### Important Stuff:

1. Check REMIND everyday - assignments will posted by 7:30am
2. My classroom hours are 7:30 am - 2:30 pm Monday - Friday. I will answer any questions you send between those hours. If you send me something at midnight do expect a response until the next day during "office hours"
3. Assignments have due dates, and they will be clearly stated. Late assignments will be accepted with deductions explained in my syllabus (2nd Quarter -25%, 3rd Quarter -50% and nothing accepted 4th Quarter) If you are unable to finish something, email me and we can work something out.

### History Through Movies (5/6)

In the event we need to learn digitally, please follow the directions on this page. While not ideal, my expectations for you learning and effort will not change.

1. This class will rely on **ZOOM** meetings for our class discussions as well as watching our movies together. Proper school attire is required - I do not want to see your pajamas! You will need your school email -

**School email Username** \_\_\_\_\_ **Password** \_\_\_\_\_

Movies will be watched together on ZOOM with discussions, just as we have done in class. My goal will be to watch the movie in its entirety over two days. This will leave us one day for introduction of the movie, and two days for any assignments. If you are absent during the ZOOM you are responsible for watching the movie on your own.

2. We will be utilizing **GOOGLE Classroom** (<https://classroom.google.com/u/0/c/MTIyNzA2NDczMjU4>) for our assignments. Everything you need will be posted, and assignments will be submitted through this.

Class Code: nko547m

### Yearbook (8)

In the event we need to learn digitally, please follow the directions on this page. While not ideal, my expectations for you learning and effort will not change. This will be a challenge, but Jostens has planned for this and we should be fine.

The key to creating a yearbook digitally will be getting pics. We will need to be creative and work together using technology to our advantage.

1. **Josten's Yearbook Ave** (<https://yearbookavenue.jostens.com>)
2. We will use **GOOGLE Classroom** (Code - tf7zqea) to post assignments and links to various things.
3. This class will rely on **ZOOM** meetings for our class discussions (2-3 days per week during our regularly scheduled time) as well as previewing and planning the book. Proper school attire is required - I do not want to see your pajamas! You will need your school email

**School email Username**\_\_\_\_\_ **Password** \_\_\_\_\_

4. Grades will be determined by time spent on your pages and a variety of lessons. Each day online is worth 10 points - 5 days a week = 50 possible points. Do SOMETHING every day - even if it is just tagging photos or editing pages.
