Recommendation to approve the following resolution:

EMPLOYMENT OF SUBSTITUTE TEACHERS

WHEREAS, the East Knox School District Board of Education (“Board of Education”) anticipates that the District may experience difficulty obtaining substitute teachers; and

WHEREAS, pursuant to authority granted in Section 4 of Senate Bill 1, which was enacted by the 134th General Assembly and became effective as an emergency measure on October 28, 2021, the Board of Education was authorized to establish its own education requirements for individuals to serve as substitute teachers in the District during the 2021-2022, 2022-2023, and 2023-2024 school years; and

WHEREAS, the General Assembly has permanently extended this authority through the enactment of House Bill 33 which is codified in R.C. §3319.102; and

WHEREAS, the Board of Education desires to adopt education requirements for substitute teachers in accordance with the law as a measure to help ensure the availability of a sufficient number of substitute teachers.

NOW, THEREFORE, be it resolved by the East Knox School District Board of Education as follows:

SECTION I

Beginning in the 2024-2025 school year, the Board of Education authorizes the employment of substitute teachers who do not hold post-secondary degrees, as is otherwise required pursuant to Ohio law and regulations, including Ohio Revised Code 3301.071, 3319.102, 3319.226, 3319.30, 3319.36, and Chapters 3314 and 3326 Ohio Administrative Code Section 3301-23-44, and/or Board Policy 3120.04 - Employment of Substitutes. To be eligible to serve as a substitute in the District, the Board requires that the employee have a high school diploma or equivalent diploma, and are at minimum 21 years of age and who do not hold post-secondary degrees to fulfill the educational requirement.

In addition to fulfilling the educational requirements adopted by the Board of Education, an individual must be of good moral character and must have completed all required criminal background checks, as well as obtained a valid, temporary, non-bachelor’s degree substitute teaching license or pre-service teacher permit issued by the Ohio Department of Education and Workforce to serve as a substitute teacher in the District.

SECTION II

It is found and determined that all formal action of this Board concerning or related to the adoption of this Resolution was adopted in an open meeting of this Board, and all deliberations of this Board and any of its committees that resulted in such formal actions were adopted in meetings open to the public, in compliance with all applicable requirements of the Ohio Revised Code.

Recommendation to approve the contract with Prodigy as an amendment to the Board Resolution #25-019 dated February 13, 2025 as follows:

AUTHORIZING A CONTRACT WITH PRODIGY BUILDING SOLUTIONS, LLC FOR THE ROOF AND FLOOR UPGRADES PROJECT PURSUANT TO O.R.C. 167.081 FOR CONTRACTS PROCURED THROUGH A REGIONAL COUNCIL OF GOVERNMENTS

The Superintendent and Treasurer recommend that the Board authorize a contract with Prodigy Building Solutions, LLC (“Prodigy”) for the Roof and Floor Upgrades Project (the “Project”) pursuant to R.C. 167.081 for contracts procured through a regional council of governments.

Rationale:

1. The District has identified a need to recover portions of the Elementary School Building roof and to replace portions of the flooring in the Elementary School and Junior/Senior High School Buildings.
2. R.C. 167.081 allows a school district to participate in a construction contract of a regional council of governments (a “COG”) without the need to engage in competitive bidding or other competitive selection methods. Specifically, R.C. 167.081 states that a COG may enter into a contract that establishes a unit price for, and provides upon a per unit basis, materials, labor, services, overhead, profit, and associated expenses for the repair, enlargement, improvement, or demolition of a building or structure if the contract is awarded pursuant to a competitive bidding procedure of a public entity that is a member of the COG or a competitive bidding procedure of a statewide or multistate consortium of which the COG is a member.
3. The Board is a member of the Ohio Purchasing Council (“TOP-C”). TOP-C is a COG established under Chapter 167 of the Ohio Revised Code. As a result, the Board may participate in contracts procured by TOP-C pursuant to R.C. 167.081, by virtue of the Board’s membership in TOP-C.

4. TOP-C has procured and entered into an agreement with Prodigy to perform the types of work needed for the Project in which agreement the Board may participate.
5. Prodigy is an experienced contractor and has provided a proposal for the Project in the amount of \$652,053.98, which is based on unit pricing set forth under its agreement with TOP-C.
6. The Superintendent and Treasurer recommend procuring Prodigy for the Project.
7. The Superintendent and Treasurer also request authority to enter change orders on behalf of the Board in a total amount not to exceed 15% of the Contract Sum. Change orders in excess of that amount, individually or in the aggregate, will be brought to the Board for its approval.

The Board of Education resolves as follows:

1. Based upon the information provided and exercising the authority given in R.C. 167.081, the Board authorizes the procurement of Prodigy.
2. The Board authorizes the Superintendent and Treasurer, working with other administrators and legal counsel, to negotiate and enter into an agreement at the conclusion of satisfactory negotiations with Prodigy for the Project in an amount not to exceed \$652,053.98 on behalf of the Board, and to sign any related documentation consistent with the intent of this resolution.
3. The Board further authorizes the Superintendent and Treasurer to sign change orders related to the Project in a total amount not to exceed 15% of the Contract Sum; should a change order exceed this amount individually or in the aggregate of change orders for the work, the change order will be brought to the Board for consideration prior to the work associated with the change order being performed.
