*Published to bring school news
to the residents of
East Knox Local School District*

East Knox Local School District From the School Board Members

Dear East Knox Community,

In the life of every school comes a time when a critical decision can change the course of the district for the better or for the worse. The time for that decision for East Knox is now. Your board is proposing building a new high school and we wanted to convey to you why we believe that now is the time.

Past Success

First of all, thank you for your past support. The School Board is making the funds from the previous operating levy last far into the future. All schools prepare a 5-year forecast with standard accounting processes. The Board's original goal after passing the levy was to maintain, at the end of 5 years, a cash balance of 30% of East Knox's yearly revenue. Good fiscal policy and prudent investment of your tax dollars has the forecast now showing a balance of 53% at the end of East Knox's 5-year forecast. The improved forecast could prolong the need for future operations levies.

Current Jr./Sr. High School

The original building was built in 1938 and has served this community for almost 82 years. Multiple additions give us the current building's many roof lines and an odd layout. The design of much of the building was before energy saving concepts were developed. Roofing insulation has broken down causing ponding instead of draining. Electrical distribution is inadequate for modern usage and certainly not capable of air conditioning. Brick work needs repaired, windows need replaced, and many other items need upgraded. During the years of financial emergency little investment was made in this facility in order to avoid additional deficit spending. Areas such as the roof are in dire need of attention. Our facilities coordinator expects that we could easily spend several million dollars on repairs over the next 5 years. This would have a very adverse effect on our operational finances resulting in an early return to the voters for operational funding. The district would require another levy while still having a very old, inefficient, and out-dated facility. The state assessment to completely renovate the existing building was 13.66 million dollars.

The Plan

Administration and the Board have spent 6 months in community engagement meetings where lots of options were considered. Ultimately, we decided to replace the Jr/Sr High school building leaving the 1994 addition. The '94 section of the school would be the oldest facility on campus. East Knox's facilities issues would be behind our community for more than a generation. Operational money would be spared before a large investment in building repair would occur. The new facility would be designed for simplicity, durability, and functionality. The new high school would have air conditioning including the '94 section that houses the gym and cafeteria. A two-year construction project would occur. Utilities

and their related systems such as gas, septic, water, and electric that are currently problematic would be replaced. New roofs will be pitched (not flat) and metal for longevity. A preschool program would return to East Knox. It's important that we keep our students in the district so that your tax dollars are not sent to other districts. The School Board believes returning the pre-school will limit future open enrollment losses and help East Knox fulfill our state mandates in this area. During construction the affected students would temporarily be put into modular classrooms for part of their class time. The school would try to keep the '94 section open during the school year with improvements made during the summer.

Cost

Architects estimate the cost of the project at \$19 million dollars. This would be spread over 37 years. The millage required to cover our bond would be 3.3 mills. That amount equals \$115.50 per \$100,000 in property valuation per year. In order to keep the cost low, the Board has decided NOT to include any unnecessary spaces such as a 3rd gym or auditorium. Our proposal is to replace the necessary classroom space and to streamline the building.

Why Now?

It is important for taxpayers to understand that unlike the operational levy there is NO plan to ask the voter every year for a new facility. If the voters say no, the Board will assume that you are telling us to spend the District's operations money on repairing the old facility. The Board believes it is unwise to spend large amounts of money repairing a very old building and then returning to the community in five or ten years to ask for a new facility. The next time would be at a dramatically higher cost as building costs continue to rise dramatically. We can save the repair cost now, have lower maintenance cost in the future, take advantage of historically low bond rates, provide a better learning environment, and save taxpayers millions of dollars by building now instead of waiting another 5 or 10 years. Timing is important in business and we believe that applies to our school also. Your vote this November will help determine the direction of the district for many years to come!

The East Knox School Board

Dear Parents, Students and Community Members,

Welcome to another exciting school year! As you no doubt noticed, our lead article in this summer's edition is the letter from the Board of Education discussing our bond issue this November. I am impressed that the 3.30 millage was so low for a \$19 million project. It's not uncommon that those projects push upwards of 7 or 8 mills. The requested 3.30 millage reflects the Board's common sense approach to building a quality, functional educational space that will meet the needs of our students for decades to come. I recently spoke to a resident who stated, "I graduated from that building (the current Junior/Senior High School) 50 years ago and it needed torn down then."

I have seen a number of levy issues through the years. Levy committee approaches sometimes focus on what someone has to give up to pass a levy. For example: "You only have to give up a pizza a month" or "It'll only cost you a cup of coffee per day." In my experience, voters want to know what they're going to get for their money and not what is going to be taken away. So the bond issue for this November really boils down to which direction we'll proceed to address our students' educational needs based on our voters. The way I personally frame the issue is: Can you spare under \$9.63 per month (on a \$100,000 home) to help out our students?"

We continue planning for this November's bond issue and its implications for this opportunity to complete this beautiful campus. However, I assure you that we are just as focused on getting ready for the arrival of our students for their first day of school on August 14th. We are in the middle of a several hundred thousand dollar lighting project that involves almost every area on campus with the exception of the Junior/Senior High. We should reach the break-even point in energy savings in approximately 6.3 years. We are also making improvements in energy efficiency with our boiler system at the Elementary School in addition to normal cleaning, scrubbing and new paint campus wide. We'll address parking lot surfaces this month with repairs/sealing/stripping as needed which includes this campus and our Bladensburg ball field property as well.

We are looking forward to the return of our students for another educationally fulfilling year. Even though it is just mid-July as I write this, sounds of the fall are already happening as our growing marching band begins their preparations in earnest. Sports teams will be in full stride very soon as well. It should be a very exciting fall.

That's the news for now. I hope you have a great remainder of your summer!

Sincerely,
Steve Larcomb
Superintendent of Schools

**** **IMPORTANT** ****
PLEASE READ

PowerSchool Parent Accounts and Submitting Online Student Forms

East Knox has been transitioning to **ONLINE Student Handbooks, Acceptable Use Policy, Medical Emergency and Open Enrollment forms** system over the past school year. The district is fully transitioned to online registration platform, which is accessed and completed through the **Parent-PowerSchool login**. Paper forms of this type will **no longer be accepted**, these forms **MUST BE completed online**. **The portal will be available to parents starting August 5th.**

PowerSchool Portal: You will use the link below to access your child's current grades, grade cards, homework, attendance, and student fees. You will also access and complete online forms through this portal.

<https://ps-ek.metasolutions.net/public/home.html> The link can also be located at www.ekschools.org

If your child is **new to our district and you do not have a PowerSchool Parent account**, please contact Alicia Simmons (Jr/Sr High; 740-599-7000 ext. 2004) or Donna Buckingham (Elementary; 740-599-7000 ext. 3002) **AFTER AUGUST 5th** for your "Access ID" and "Access Password" in order to register and complete the online forms using the instructions below:

(If you already have a PowerSchool account skip to Step 5)

1. When you click the link above to the student parent portal you will see tabs to sign in or create an account.
2. Click the "**create account**" tab.
3. You will then add your information, email, etc in the "Parent Account Details" section. Create your ID and password (ID and passwords may be the same and must be at least 6 characters long).
4. Below the "Parent Account Details" section you will see the "**Link Students to Account**" section. You will enter each of your students along with their "Access ID" and "Access Password." You may link multiple students.
5. To fill out student forms, click the icon  in the upper right hand corner of the screen. Click on the text "**Submit & View Online Forms.**" Then click on the text "**Student Demographics & EMA**" to complete your student's forms. Once you have completed all fields click "**Save and Submit to District.**"
6. To add a student to an existing account go to account preference, profile/students, click on students, click add and follow directions in Step 4.

If you have already created a PowerSchool Parent account you can sign in at <https://ps-ek.metasolutions.net/public/home.html> and skip to Step 5 above to complete your child's forms.

As a reminder and for **any new students** to the district, East Knox Local Schools has switched from paper report cards to online report cards for all students Kindergarten through 12th grade. Instead of your child forgetting to bring home a printed report card, you will be able to log into your Parent Portal Account and see their grade card as soon as they are ready. You will also be able to print from that screen if you desire. Your child will be able to log in from their account and see the same information. **Each quarter we will notify you when grade cards are ready to be viewed. Grade cards are usually ready the first Friday after the quarter ends.**

If you don't have a username and password or need assistance with these new procedures, please contact the school and they will be happy to help you with the process.

NEW! Pay for Student Meals and Fees Online

East Knox Local School District is excited to offer **MySchoolBucks®**! This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. The district **is no longer using EZ-Pay** effective June 30, 2019.

You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**

MySchoolBucks provides:

- ◆ **Convenience** - Available **24/7 on the web** or through our **mobile app** for your smartphone
- ◆ **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- ◆ **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- ◆ **Flexibility** - Make payments using credit/debit cards and electronic checks.
- ◆ **Security** – MySchoolBucks adheres to the highest security standards.

Enrollment is easy!

1. Go to www.MySchoolBucks.com or download the mobile app and register for a free account.
2. Add your students using their school name and student ID.
3. Make a payment to your students' accounts with your credit/debit card or electronic check.

A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

If you have any questions, contact MySchoolBucks directly:

- ◆ support@myschoolbucks.com
- ◆ (855) 832-5226
- ◆ Visit myschoolbucks.com and click on Help

Thank you,

East Knox Local School District

Twenty Year Recognition

Submitted by Denise Opfer

East Knox Elementary has received an award for partnering with Scholastic Book Fairs for twenty years of hosting fairs at our school.

Helping children fall in love with reading is one of the most important missions schools take on. Strong reading skills help children understand the world around them, perform well in school, and ultimately succeed in life.

I would like to thank all of our book fair volunteers who have helped in past years and months with the fairs. The Elementary hosts two book fairs each school year. One in the fall and one in the spring.

The Elementary is very blessed to have several volunteers who help time and time again. We could not have received this amazing award if we did not have such wonderful and dedicated volunteers.

Our next fair will be October 28-November 2, 2019. Community members are welcome to come and shop at our fair!

Looking forward to twenty more years!

Transportation Rules

Bus Route Pick-up and Drop Off Rules

Parents must designate one pick-up and one drop-off location where your child(ren) will be picked up and dropped off each day of the week. These can be two different locations for morning and afternoon. For example, your student gets on the bus at home every morning and dropped off to a babysitter every day in the afternoon. We cannot drop off/pick up students at multiple locations throughout each week. We understand shared parenting situations and will continue to adhere to those custody arrangements. We also understand that there are times where things happen and unforeseen changes occur. We will work with you where we can on a case-by-case basis where needed. Please feel free to contact Transportation Supervisor Angela Wells at (740) 599-7000 x1016 with any questions.

ONLY COMPLETE THIS FORM IF: The Student is not being picked-up/dropped-off at their Primary Residence
(Completed forms may be turned into the building office. Please allow 1-week prior notice to process form)

Labor Day 5K Run/Walk & Kids Run

Labor Day 5K Run Walk & Kids Run

Submitted by Denise Opfer

The East Knox PTO is very excited to announce their 5th annual Labor Day 5K which will be held on Monday, September 2nd, 2019.

The 5K will start at the East Knox football stadium. The purpose of the race is to encourage physical fitness, bring the community closer together, and raise money for educational opportunities inside and outside the classroom!

The 5K starts at 9 a.m. with the Kids Run beginning at 8:30 a.m. Registration will begin at 7:30 a.m. at the East Knox Football Stadium: 23227 Coshocton Ave, Howard. The race will begin and end in the stadium. The Kids Run will take place inside the stadium. Food and drinks will be available after the race. Awards will be given for the first, second, and third place finishers in various age categories.

You can register at www.runsignup.com

The cost is \$25 which will include a t-shirt if you register by August 26, 2019. Registration after August 26th will be \$25, but will not include a t-shirt. Registration forms can be found at the East Knox School Board office.

The PTO welcomes everyone to come and join the fun, while supporting a great cause!

201 Club Hog Roast — 2019

**Join the 201
Club and
help support
the Athletic
Boosters of
East Knox**

Yes, it's that time of year again, time for our annual 201 Club Hog Roast. **The date for this year's hog roast is Saturday, August 17, 2019, with serving beginning at 6 pm.** The event will once again be held at Campbell's Sportsman's Club, 22430 Coshocton Road in Howard. We will be serving up our great meal of roasted pork, scalloped potatoes, green beans, garlic salad, relish, rolls and brownies.

By joining the 201 Club, you are helping to support all of our great athletes with your generous contribution, by helping us provide

meals, equipment and in any other way that is needed.

Tickets are \$50 which includes dinner at the hog roast **for two**, your name will be listed in our Fall Sports Program and you will be entered in the drawing for nine \$100 prizes and one drawing for \$1,000 which will be announced at our last home football game.

You may still join even if you can't attend the hog roast, but please try to join us as we will have many great door prizes as well as a silent and a live auction.

You may also pay at the door on the 17th.

If you have any questions, or would like to donate door prizes or auction items, please call Darcy Knight @ 740-501-3278 or Josh Lester 740-507-3689. To become a member of the 201 Club or to RSVP to attend the Hog Roast you may mail your check to:

**East Knox
Athletic Boosters
P.O. Box 15
Howard, OH
43028**

**Hope to see you
August 17th**

ABOUT THE DISTRICT

The East Knox District is made up of Knox and parts of Licking and Coshocton Counties. Our district covers an area of 144 square miles and geographically services the community of Howard, Apple Valley, Bladensburg, and Millwood.

East Knox Junior/Senior High and Elementary school buildings are located on U.S. 36 in the town of Howard. Both are located on the same campus and are situated in beautiful rural settings which complement the learning environment. There are several colleges within commuting distance, and the area provides numerous cultural and recreational opportunities.

We encourage you to visit our schools and facilities. The East Knox staff and residents strive to maintain high standards for education in our schools, working together for our children, our future leaders.

STAFF—A professional staff of approximately 71 trained teachers and administrators provide an excellent learning atmosphere for district students. A dedicated teaching force with quality education is offered in an environment which promotes excellence, knowledge and skills. The East Knox Schools are a reflection of the community they serve. With strong support of the parents and interested caring citizens, this district will continue to improve as partners in education.

ABOUT THE AREA—Knox County is located in central Ohio and is within an hour of northern Columbus, Mansfield and Ashland. Knox County is home to Mount Vernon Nazarene University and Kenyon College. Mount Vernon is an "All American City" and provides many nationally known shopping venues while still maintaining the small town feeling.
