

Welcome!

We provide parents an on-line system to pay your student fees, activity fees and add to your lunch accounts. You may use your credit/and or debit card for the transaction. We cannot take credit card payments at our office, this is only available over the internet. We will still accept cash and checks.

Parents who use the on-line system must first create an account. Enclosed is the student ID number you will need as part of the on-line registration. No personal information about your student is available online. The district does not keep your credit card information on file and you will need to re-enter your credit card # each time you use the online system.

**Student Name:**

**Student ID:**

You can access the new on-line payment website by going to our district website ([www.ekschools.org](http://www.ekschools.org)), then click on **SPS EZpay** logo to be transferred over to the payment site. Complete the registration page, and add your child's names and ID numbers. Once you have registered and created a password you will not need the student ID number again. You can check your child's account balances as long as you have access to the internet. You will receive a Low Lunch balance email. Please be sure to allow SPS EZpay into your email otherwise it will be considered spam and will go into your junk email.

Questions may be directed to your child's school or 1-866-MyEZpay (866-693-9729) or email at [info@spsezpay.com](mailto:info@spsezpay.com). Payments made online will be credited by the end of the next business day. There is a \$2 convenience fee charge to use this system.

We hope this will make payments easier and more convenient.

Sincerely,
