## **FOREWORD**

Welcome to the East Knox Jr./Sr. High School. We are pleased to have you as a student and will do our best to help make your experience here as productive and successful as you wish to make it. We strive to provide an atmosphere in which each parent can work in cooperation with us to optimize each student's success. We challenge each student to accept responsibility for education and to enjoy every possible opportunity this year.

This student handbook is developed to answer many of the commonly asked questions that you and your parents may have during the school year, and to provide specific information about certain Board policies and procedures. This handbook contains important information that you should know. Please take time to become familiar with the following information and keep the handbook available for your frequent reference. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules as of June 18, 2020 June 17, 2021. If any of the policies or administrative guidelines referenced herein are revised after June 18, 2020 June 17, 2021, the language of the most current policy or administrative guideline prevails. Current copies of Board policies and administrative guidelines are available from the principal.

## **EAST KNOX JR./SR. HIGH SCHOOL MISSION**

*The mission of the East Knox Local School District, in partnership with the family and community, is to inspire, motivate, educate, challenge, and support all students to reach their highest level of learning and personal development.*

## **EQUAL EDUCATION OPPORTUNITY**

This District provides an equal educational opportunity for all students. Any person who believes that she/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the School District's Compliance Officer identified below.

East Knox Jr./Sr. High School Principal  
740-599-7000 ext. 2001

## **STUDENT RESPONSIBILITIES**

The School's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules promptly. Students must arrive at school on time, prepared to learn and participate. If, for some reason, this is not possible, the student should seek help from the guidance counselor.

Adult students (age eighteen (18) or older) must follow all school rules. If residing at home, adult students are encouraged to include their parents in their educational program.

In addition, if a student resides in the District with a grandparent and is the subject of a: (1) power of attorney designating the grandparent as the attorney-in-fact; or (2) a caretaker authorization affidavit executed by the grandparent that provides the grandparent with authority over the care, physical custody, and control of the

child, including the ability to enroll the child in school, consent in all school related matters, and discuss with the District the child's educational progress, the student's grandparent may enroll the child in school on a tuition-free basis. However, in addition to the above referenced documents that are typically required for enrollment, the grandparent must provide the District with duly executed and a notarized copy of a power of attorney or caretaker authorization affidavit.

In order to keep parents informed of their child's progress in school, parents will be provided current information via PowerSchool. Whenever concerns arise it may be the responsibility of the student to deliver the information. The School, however, may use the mail or hand delivery to ensure contact. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

## **STUDENTS WELL BEING IMMUNIZATIONS**

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunizations or authorized waiver. Any questions about immunizations or waivers should be directed to the school nurse.

### **EMERGENCY MEDICAL AUTHORIZATION**

Student safety is the responsibility of both students and staff. All district staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attacks, and accident reporting procedures. If a student is aware of any dangerous situation or accident, he or she must notify a staff person immediately.

A complete Emergency Medical Authorization Form must be on file with the school in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extra-curricular activities, and co-curricular activities.

At least three (3) persons must be listed on the Emergency Medical Form, and they must be able **and** available to pick-up and transport ill and/or sick students (neighbors, friends, etc. are acceptable but must be listed on form).

Parents, guardians, or anyone else listed on the Emergency Medical Form must pick-up ill and/or sick students within one (1) hour after notification. We do not have staff or space to house sick students without exposing others to illness.

The Emergency Medical Authorization Form is provided at the time of enrollment, at the beginning of each school year, or via our online app **OneView**, which is available through your PowerSchool account. Once filed in the office, copies will be distributed to coaches and bus drivers as needed. Failure to comply with this rule within seven calendar days may result in the student being sent home and charged with an unexcused absence. **OneView** is also available on the school website [www.ekschools.org](http://www.ekschools.org).

### **USE OF MEDICATIONS**

Students who must take prescribed medication during the school day must comply with the following guidelines:

- A. Parents should, with their physician's counsel, determine whether the medication schedule can be adjusted to avoid administering medication during school hours.
- B. The appropriate form must be filed with the respective building principal before the student will be allowed to begin taking medication during school hours or to use an inhaler to self-administer asthma medication. Such forms must be filed annually and as necessary for any change in the medication.

- C. All medications must be registered with the Principal's Office and must be delivered to school in the container in which they were dispensed by the prescribing physician or licensed pharmacist.
- D. Medication that is brought to the office will be properly secured. Except as noted below; medication must be delivered to the Principal's Office by the student's parent or guardian or by another responsible adult at the parent or guardian's request. Except as noted below, student may not bring medication to school. Students may carry emergency medications for allergies and/or reactions, or inhalers and Epi-pens during school hours. Students are strictly prohibited from transferring emergency medication or inhalers to any other student for their use or possession. Medication may be conveyed to school directly by the parent or transported by transportation personnel (bus drivers and/or bus aide) at parental request. This should be arranged in advance. If, for supportable reasons, the Principal wishes to discontinue the privilege of a student self-administering a medication, except for the possession and use of inhalers and Epi-pens, the parent(s) shall be notified of the decision in sufficient time for an alternative means of administration to be established.
- E. Any unused medication unclaimed by the parent will be destroyed by school personnel when a prescription is no longer to be administered or at the end of a school year.
- F. The parents shall have sole responsibility to instruct their child to take the medication at the scheduled time.
- G. The building principal will maintain a log noting the personnel designated to administer medication, as well as the date and the time of day that administration is required. This log will be maintained along with the physician's written request and the parent's written release.

**Non-prescribed (Over-the-Counter) Medications:**

No staff member will dispense non-prescribed, over the counter (OTC) medication to any student. If a student is found using or possessing a non-prescribed medication without parent authorization, the student will be brought to the school office while the student's parents are contacted for authorization. The medication will be confiscated until written authorization is received.

Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in violation of the school's Code of Conduct and will be disciplined in accordance with the drug-use provision of the code.

A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms, at school or at any activity, event, or program sponsored by or in which the student's school is a participant if the appropriate form is completed and on file in the Principal's office. A student who is authorized to possess and use a metered dose or dry powder inhaler may not transfer possession of any inhaler or other medication to any other student.

OTC medication for pain can be given to students on a one-time basis (without Medical Administration Form on file) under the following conditions:

1. Parents and/or persons documented on Emergency Medical Form are contacted and give permission to medicate student for the one-time dose.
2. Medication can only be administered by the school Nurse or anyone that has been trained by the Nurse to do so.

3. Pain medication for this purpose will only be Ibuprofen 200mg or Acetaminophen 100-500mg. No cold or sinus medication will be given.
4. Diphenhydramine HCl (Benadryl) 25mg will be given on a one-time basis (without Medical Administration Form on file) with parent permission in Nurse approved instances like allergic reactions, etc.

## **CONTROL OF CASUAL CONTACT COMMUNICABLE DISEASES**

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice. Specific communicable diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments. Any removal will be only for the contagious period as specified in the school's administrative guidelines.

## **CONTROL OF NON-CASUAL CONTACT COMMUNICABLE DISEASES**

The School District has an obligation to protect staff and students from non-casual contact, communicable diseases. When a non-casual contact communicable disease is suspected, the student's health will be reviewed by a panel of resource people, including the County Health Department. The school will protect the privacy of the person affected and those in contact with the affected person. Students and staff will be permitted to remain in school unless there is definitive evidence to warrant exclusion. Non-casual contact communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS related complex, HIV (Human Immunodeficiency), Hepatitis B, and other diseases that may be specified by the State Board of Health. As required by Federal Law, parents will be requested to have their child's blood checked for HIV and HBV when the child bleeds at school and students or staff members are exposed to blood. Any testing is subject to laws protecting confidentiality.

## **INDIVIDUALS WITH DISABILITIES**

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the District's programs and facilities. A student can access special education services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA) and State law. Contact Corby Frere at 740-599-7007, ext. 1008 to inquire about evaluation procedures and programs.

## **STUDENT FEES AND FINES**

**All students will be charged an instructional fee of \$40.00. The fee will be waived for students who apply and qualify for free lunches through the National School Lunch Program. Students who enroll midyear will have his/her instructional fee pro-rated.**

**Textbooks:** All textbooks are furnished free of charge. These books belong to the East Knox Local Board of Education. They are NOT to be marked, torn, or mistreated in any way. Lost or damaged texts or library books carry a charge in accordance with the school board policy. The classroom teachers may require a book cover to be placed on the book by the student in an attempt to protect or extend the life of the textbook.

**Note:** If the book is damaged, stolen or lost, the student to whom the book was issued is responsible.

1. There is a replacement fee for lost or damaged books.
2. There is a fee of \$10.00 to rebind books.
3. There are also fees for certain classes. Contact the Guidance office for special fees.

Replacement charges may also be imposed for loss, damage or destruction of school apparatus, technology, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. Fees may be waived in situations where there is financial hardship. Students can avoid late fines by promptly returning borrowed materials. Failure to pay fines, fees, or charges may result in the withholding of grades and credits.

**Obligations: Participation in athletics, extracurricular activities, and graduation exercises require the clearing of all debts and obligations, including discipline on a quarterly basis.**

## **STUDENT VALUABLES**

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. **The school will not be liable for any loss or damage to personal valuables.**

## **MEAL SERVICE**

The school participates in the National School Lunch Program and makes lunches available to students for a fee of \$2.50. Ala Carte items are available. Students may also bring their own lunch to school to be eaten in the school's cafeteria. No student may leave school premises during the lunch period without specific written permission from the Principal.

## **LUNCH CHARGE POLICY**

Lunches are to be paid for on the day they are served. It is the responsibility of the parent or guardian to pay for meals provided or to send a lunch from home. When a student's account has a negative balance, only full lunches may be charged (maximum of four). There is no charging allowed for ala carte items.

**Unpaid charges for students will result in the following:**

- A verbal reminder to student
- A written reminder sent home with student
- Telephone call home
- Letter sent home
- Meeting between school representative and parent/guardian
- Participation in school events will be limited including graduation

Free and Reduced Lunch Applications are available throughout the school year. They can be picked up at the Board Office at 23201 Coshocton Road during school hours. The applications are also available in each school building office or can be sent home with your child by request.

Upon withdrawal from school or graduation, a reimbursement of an existing credit account balance can be requested. The credit balance will first be applied to any outstanding school fees that exist for the student. The credit balance can also be transferred to another student upon request.

Contact the East Knox Local Schools Food Service Department at 740-599-7000 ext. 2009 with any questions or concerns.

## **EMERGENCY CLOSING AND DELAYS**

If the school must be closed or the opening delayed because of inclement weather or other conditions, the school will notify the following radio and television stations:

TV Channel 4, 6, and 10

Radio WQIO 93.7 FM

Parents and students may also be notified of school closings, delays, or miscellaneous updates via pre-recorded telephone message delivered to the phone number on file. Parents and student are responsible for knowing about emergency closings and delays.

## **VISITORS**

Visitors, particularly parents, are welcome at the school. Visitors must report to the office upon entering school to sign in and obtain a pass. Any visitor found in the building without signing in shall be reported to the Principal. If a person wishes to confer with a member of the staff, he/she should call for an appointment prior to coming to the school in order to schedule a mutually convenient meeting time. Students may not bring visitors to school without prior written permission from the Principal.

## **USE OF THE LIBRARY**

The library is available to students throughout the school day from 7:30am to 3:30pm. Books may be checked out for a period of two weeks. To check out any other materials, contact the librarian.

All materials checked out of the library must be returned to the library within the two-week check out period. Lost materials are the responsibility of the student. Replacement costs for any library materials not returned by the end of the year will be added to the student's school fees. Specific library rules and procedures are posted in the library.

### **Library/Study Hall Regulations:**

All students going to or exiting the library must have a signed pass from a teacher, librarian, or study hall monitor. Any student wanting to exit the library/study hall must have a signed pass from a teacher and present it to the librarian/study hall monitor prior to the beginning of any class period.

**Library/Study Hall Conduct:**

In order for a peaceful and studious atmosphere to be maintained, cell phones and personal electronic devices are not permitted unless otherwise directed by the librarian/study hall monitor. No food or drink is permitted in the library (except water). There will be no talking without permission. All students are expected to be working quietly for the duration of the class period.

**Book Policy:**

We believe reading is fundamental to academic success. In order to provide students with an opportunity to develop their reading skills, East Knox utilizes the Accelerated Reader (AR) program. This program allows teachers to assess students' individual reading levels and also helps students select books appropriate to their reading levels. Students are able to choose reading materials from classroom libraries or the school library.

East Knox must balance our students' right to choose books that interest them with the individual parents' right to make educational choices for their own child. We encourage you to review AR books with your child and to return any book deemed inappropriate by your family to the classroom teacher. The student will then be able to select a different book. Each Language Arts teacher will explain when you can expect to see the AR books since different grades have different requirements. We value your commitment to your child's academic success by following this policy.

## **USE OF SCHOOL EQUIPMENT AND FACILITIES**

Students must receive teacher permission before using any equipment or materials in the classroom or library. Outside the school day, students must seek permission from the Principal or Assistant Principal prior to using any school equipment or school facility. Students are responsible for the proper use and protection of any equipment of facility they are permitted to use.

## **LOST AND FOUND**

The lost and found area is in the cafeteria. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity on a regular basis.

## **ADVERTISING OUTSIDE ACTIVITIES**

Students may not post announcements or advertisements for outside activities without receiving prior approval from the Principal. The Principal will attempt to respond to a request for approval within one (1) school day of its receipt. The school has a central bulletin board located at the front entrance, which may be used for posting notices after receiving permission from the Principal.

## **SECTION II – ACADEMICS**

### **FIELD TRIPS**

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co-curricular and extra-curricular program. No minor student may participate in any school-sponsored trip without parental consent. All students, regardless of age will not be able to participate in any school-sponsored trip unless they have a current emergency medical form on file in the office. Medications normally

administered at school will be administered while on field trips. The Student Code of Conduct applies to all field trips. Students not going on a field trip are expected to be at school or will be counted absent. While the District encourages the student's participation in field trips, alternative assignments will be provided for any student whose parent does not give permission for the student to attend. Students who violate school rules may lose the privilege to go on field trips.

## **ELIGIBILITY OF NON-RESIDENT STUDENTS**

The Board of Education reserves the right to verify the residency of any student and validity of the claim of any students to an education in this district. A student whose parent has signed a contract to buy, build, or rent a residence in this district may be enrolled at the discretion of the Superintendent. Regularly enrolled students whose parents have moved out of the school district may be permitted to finish the school year at the discretion of the Superintendent. Other non-resident students may be admitted to this district on payment of tuition or through open enrollment upon recommendation of the Superintendent and approval of the Board.

## **STUDENT SERVICES STUDENT RECORDS**

The School District maintains many student records including both directory information and confidential information.

**Directory information includes:** a student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, height and weight if a member of an athletic team, dates of attendance, date of graduation, and awards received. Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board. For further information about the items included within the category of directory information and instructions on how to prohibit its release, you may wish to consult the Board's annual Family Education Rights and Privacy Act (FERPA) notice which can be found in the guidance office.

Other than directory information access to all other student records is protected by (FERPA) and Ohio law. Except in limited circumstances as specifically defined in State and Federal law, the School District is prohibited from releasing confidential education records to any outside individual or organization without the prior written consent of the parents, or the adult student, as well as those individuals who have enrolled and entered a postsecondary educational institution at any age. The Board will provide access or release directory information to armed forces recruiters unless the parent or student request and that prior written consent are obtained. Confidential records include test scores, psychological reports, behavioral data, disciplinary records, and communications with family and outside service providers.

Students and parents have the right to review and receive copies of all educational records. Cost for copies of records may be charged to the parent. To review student records please provide a written notice identifying requested student records to High School Guidance Counselor, ext. 2008. You will be given an appointment with the appropriate person to answer any questions and to review the requested student records. Parents and adult students have the right to amend a student record when they believe that any of the information contained

within the record is inaccurate, misleading or violates the student's privacy. A parent or adult student must request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of his/her right to a hearing on the matter.

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an un-emancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- a. political affiliations or beliefs of the student or the student's parents;
- b. mental or psychological conditions of the student or the student's family;
- c. sex behavior or attitudes;
- d. illegal, anti-social, self-incriminating or demeaning behavior;
- e. critical appraisals of other individuals with whom respondents have close family relationships;
- f. legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- g. religious practices, affiliations, or beliefs of the student or his/her parents; or
- h. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Consistent with the PPRA and Board policy, parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation. Please contact High School Guidance Counselor, ext. 2008 to inspect such materials.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

The Superintendent will provide notice directly to parents of students enrolled in the District of the substantive content of this policy at least annually at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy. In addition, the Superintendent will notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- a. activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information for otherwise providing that information to others for that purpose); and
- b. The administration of any survey by a third party that contains one or more of the items described in A through H above.

The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPRA. Parents and/or eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue SW  
Washington, DC 20202-4605

## SCHEDULING AND ASSIGNMENTS

Schedules are provided to each student at the beginning of the school year or upon enrollment. Schedules are based on the student's needs and available class space. Any changes in a student's schedule should be handled through the Guidance Office. Students may be denied course enrollment due to lack of available space or the need for the student to pass prerequisite courses. Students are expected to follow their schedules. Any variation must be approved with a schedule change through the Guidance Office.

## **CREDIT FLEXIBILITY**

Pursuant to SB 311, all school districts in the state of Ohio have been charged with fully implementing a plan that would enable “students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction.” For specific details of this plan and to learn more about the opportunities available, please schedule an appointment with the building principal or counselor.

## **SCHEDULE CHANGES**

Scheduling decisions should not be taken lightly. To help insure that these decisions are given due consideration and to keep changes within school policy, the following points are listed.

### **GENERAL GUIDELINES:**

1. All students must register for at least 5 credits in addition to physical education and health with no more than one study hall per year (unless approved by the office).
2. All prerequisites must be observed.
3. Schedule requests and changes must be approved by parents, teachers, counselor, and the principal. (See dropping course guidelines).

These requirements are available in the Guidance and Athletic Director's offices, and on the internet at [www.ncaaclearinghouse.net](http://www.ncaaclearinghouse.net).

**College Credit Plus:** The College Credit Plus program (CCP) permits Ohio public and non-public high school students in grades 7 through 12 to earn college credit and/or high school graduation credit through the successful completion of college courses. The purpose of the program is to promote rigorous academic pursuits and to provide a variety of options to Jr./Sr. High School students. Students must have a minimum grade point average to qualify for enrollment at the College Credit Plus institution, successfully completed all testing requirements of the institution, and attend the mandatory CCP meeting in January. Students who wish to

participate in CCP must follow the rules and regulations found in the Ohio Administrative and Ohio Revised Codes. In addition, the GPA requirements for acceptance and continued eligibility vary based on the college/university and the Ohio Administrative Code. Students that fail any CCP classes are required to pay for the cost of the class, books, and any additional resources used. East Knox will also offer College Credit Plus classes at our facility during the school day in cooperation with Kenyon College. Students will earn both high school and college credit. Applications are available in the Guidance Office and should be returned to the Guidance Office by the teacher completing the recommendation portion of the application. Students must return the “Intent to Participate” form to the Guidance Office by April 1<sup>st</sup> and must meet eligibility requirements set forth by Kenyon College.

## **NON-WEIGHTED GRADES**

East Knox Jr./Sr. High School has a standard grading procedure, as well as additional notations that may indicate work in progress or incomplete work. Grades indicate the extent to which the student has acquired the necessary learning. In general, students are assigned grades based upon test results, homework, projects, and classroom participation. Each teacher may place a different emphasis on these areas when determining a grade and will so inform the students at the beginning of the course. If a student is not sure how his/her grade will be determined, he/she should ask the teacher.

### **Standard Grading Scale**

92 – 100% = A 4.00	90 – 91% = A- 3.75
88 – 89% = B+ 3.50	82 – 87% = B 3.00
80 – 81% = B- 2.75	78 – 79% = C+ 2.50
72 – 77% = C 2.00	70 – 71 % = C- 1.75
68 – 69% = D+ 1.50	62 – 67% = D 1.00
60 – 61% = D- 0.75	59 – 0% = F 0.00

## **WEIGHTED GRADES**

Students that will graduate in the class of 2020 (current Seniors), and all graduating classes thereafter will have weighted grades for any Honors or College Credit Plus (CCP) courses that they complete. Grades from those classes will use the following scale:

### **Weighted Grading Scale**

92 – 100% = A 4.50	90 – 91% = A- 4.25
88 – 89% = B+ 4.00	82 – 87% = B 3.50
80 – 81% = B- 3.25	78 – 79% = C+ 3.00
72 – 77% = C 2.50	70 – 71 % = C- 2.25
68 – 69% = D+ 2.00	62 – 67% = D 1.50
60 – 61% = D- 1.25	59 – 0% = F 0.00

### **Calculating Averages for Student in Grades 9-12:**

1. Course Credit is issued by semester.
2. Semester averages will be calculated using percentages on the above scales.

3. Incomplete Grades: A teacher may give an incomplete (I) at the end of the grading period. An incomplete indicates that the teacher is allowing the student extra time to complete that period's assignments. It is the student's responsibility to contact the teacher to determine what work needs to be done. Any "I's" not changed to the permanent grade by the 10<sup>th</sup> day of the next grading period will automatically become an "F"

## GRADE POINT AVERAGE-GRADES 9-12

A student's grade point average (G.P.A.) is calculated by converting the percentages above into a 4.0 quality point system and by dividing by the number of credits earned. The example below shows how to calculate GPA for non-weighted courses. **Note: The same calculation applies to Honors and/or CCP courses; however, the quality points used will come from the weighed grading scale.**

<u>Grade</u>	<u>Credits</u>	x	<u>Quality Points</u> (multiply credit by grade)
88% B+ (3.5 points)	.5		(3.5 x .5) = 1.75
20% F (0 points)	.5		(0 x .5) = 0
85% B (3.0 points)	.5		(3.0 x .5) = 1.5
67% D (1.0 points)	.25 (PE)		(1.0 x .25) = .25
94% A (4.0 points)	.5		(4.0 x .5) = 2
Total Credits = 2.25			Total Quality Points = 5.5

$$\text{GPA} = (\text{Total Quality Points} / \text{Total Credits}) = 5.5 / 2.25 = 2.444$$

## GRADING PERIODS

Students and parents will have access to online report cards within PowerSchool after each nine (9) week grading period. If you do not have internet access at home or wish to have a printed copy of your student's report card, please call the Guidance Office at (740) 599-7000 ext. 2004. When a student appears to be at risk of failure, reasonable efforts will be made to notify the parents so they can talk with the teacher about what actions can be taken to improve poor grades.

### PROGRESS AND GRADE REPORTING:

**Parent/Teacher Conferences:** Parent/teacher conferences are always welcome. Parents should call ahead for an appointment to be sure the teacher will be available. Special conference days are established throughout the year and are posted on our District Calendar, or can be scheduled on an as needed basis.

**Progress Reports:** Parents are encouraged to monitor student progress via the Parent Portal in PowerSchool. Please contact the Guidance Office for login information. Each parent is encouraged to talk to his/her child, the teacher, the guidance counselor, and the principal concerning the progress of the student.

## NATIONAL HONOR SOCIETY (NHS) SELECTION PROCEDURES

The selection procedure will be developed by the Faculty Council and published in the Student Handbook. In addition, a letter describing membership requirements and the selection procedure will be mailed to the parents of all incoming freshmen at the beginning of each school year. Membership in NHS is a privilege not a right.

- Step 1: Student academic records will be reviewed after the first semester of their Junior and Senior year to determine those students who have achieved a Cumulative Grade Point Average (GPA) of 3.300 or higher.
- Step 2: In order to be considered for NHS membership selection, the academically eligible candidates must be an East Knox student for at least two full semesters and must have either junior or senior status.
- Step 3: All academically eligible students will be notified in writing that they have met the scholarship requirements for consideration for membership in the East Knox NHS. These students will be given the Statement of Interest Form, guidelines for application and three copies of the Faculty Survey Form. The completed forms and documents must be returned to the chapter advisor by the date specified in order for the student to receive further consideration for membership. The student will also be required to submit a cover letter and resume of their activities and service.
- Step 4: Students who wish to be considered for membership will ask three teachers to complete the Faculty Survey Form and return it to the chapter advisor by the date specified. Two of these faculty members must be teachers of core subjects such as math, social studies, science, and language arts. In addition, two of the three faculty members must be on staff at East Knox Jr./Sr. High School. All three forms must be completed by teachers who have either had the student in class or have served as an advisor or coach for a student organization to which the student belongs. Faculty Survey Forms cannot be completed by an employer.
- Step 5: In addition to the three Faculty Surveys requested by the candidate, the entire East Knox faculty will receive a Faculty Evaluation Form which will list all candidates. Faculty members will be asked to assign a numerical rating for each student that he or she has had in class or in an advisory capacity. These forms will be returned to the Guidance Office secretary by the date specified. These evaluations will not be counted as votes for membership selection, but will be given to the Faculty Council to assist in the selection process.
- Step 6: The members of the Faculty Council will meet to carefully consider each candidate who was determined to be academically eligible. Candidates turning in late or incomplete forms will be removed from consideration. Candidates who indicate that they are not interested in becoming NHS members will also be removed from consideration by the Faculty Council. Each remaining candidate will then be considered on the basis of Character, Leadership, and Service using the Student Activity Information Forms, Faculty Survey Forms, information from the Faculty Evaluation list as well as individual resumes. Candidates who list no school or community service activities will be eliminated from consideration by the Faculty Council. The members of the Faculty Council will vote on each individual candidate. Those candidates who receive a majority vote will be offered an invitation to the induction.
- Step 7: All candidates who were determined to be academically eligible will be notified either by mail or in person of results of the Faculty Council deliberations regarding their candidacy. Candidates who wish to be inducted need to return the Candidate Response Form to the Chapter Advisor by the date specified.
- Step 8: The formal induction ceremony will be conducted during the second semester of each school year.
- Step 9: Cumulative GPAs for each NHS member will be checked at the beginning of each semester. Members are expected to maintain or improve those averages at which they were inducted. Members who do not maintain the required 3.300 GPA may be subject to a written warning and possible suspension from NHS if grades are not improved. Members who do not uphold the NHS standards of Character, Leadership, and Service may also be subject to disciplinary action by the Faculty Council.

**A message to Athletes:** We at East Knox believe that athletics are a valuable part of the educational process. As an athlete we hope you will not only learn the skills and strategies necessary for your sport, but also some valuable lessons about the rewards of hard work, discipline, teamwork, and goal setting. We believe the values we learn in athletics will become very valuable to us later in life. You must be aware of what you stand for as an athlete at East Knox. You are not just representing yourself as you play the game. Both on and off the court

or field you become a representative of your team, your school, and your community. **Participation is a privilege not a right.** It is not to be taken lightly as you make decisions that affect your actions. We want you to play hard and have fun as you keep these thoughts in mind as you take advantage of your opportunity to play sports at East Knox.

**Sportsmanship:** Student-athletes who are good sports are positive role models within our school and the community at-large. A good student knows that athletics builds character and shapes lifetime attitudes. You, in turn, experience additional educational and leadership benefits that come from participation in sports. Integrity, fairness, and respect are inherent principles of good sportsmanship. With them, the spirit of competition thrives, fueled by honest rivalry, courteous relations and graceful acceptance of the results. As an athlete at East Knox Jr./Sr. High School, your sportsmanship goals should include:

- Developing a sense of dignity under all circumstances;
- Respecting the rules of the games, the officials who administer the rules, and their decisions;
- Respecting opponents as fellow students; and acknowledging them for striving to do their best while you seek your best at the same time;
- Refraining from engaging in all types of disrespectful behavior, specifically taunting, trash talk and other forms of intimidation;
- Looking at athletic participation as a potentially beneficial learning experience, whether you win or lose;
- Educating other students and fans to understand the rules of the game, and the value of sportsmanship.

You are the spokesperson for East Knox Jr./Sr. High School when you represent us in athletic competition. Your actions are viewed by family and friends, opposing fans, the local community and the media. Your display of good sportsmanship will show the most positive things about you and our school; and hopefully, remind us all that in the end, sports are meant to be fun.

### **Student Attendance at School Events**

The School encourages students to attend as many after school events as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build school spirit and encourage those students participating in the event. It is strongly advised that students attending evening events as non-participants be accompanied by a parent or adult chaperone. The Board is not responsible for supervising unaccompanied students nor will it be responsible for students who arrive without an adult chaperone.

**Spectator Behavior:** Students, parents, community members and fans are expected to act appropriately at all athletic events including practices. Inappropriate behavior such as, but not limited to, profanity, disparaging and demeaning language, intimidation, abuse of facilities, aggression directed at officials and opposing players and fans, or any unsportsmanlike act will not be tolerated.

### **Penalties for inappropriate behavior include:**

KMAC Ejections policy for Fan/Non-Participating Student Ejections will be followed, including the appeals process as needed.

**Home Schooled Athletes:** East Knox will abide by all current Ohio Revised Code regulations as they pertain to home schooled students.

**Other Considerations:** In addition to the rules outlined in this handbook, coaches and cheerleading advisors will outline rules, policies, and regulations that are specific to each individual sport regarding practice expectations, tryouts, transportation, curfew, as well as other expectations. Coaches have the final say of when and how cuts are to be made.

**Transportation:** In order for a student-athlete to ride home from an athletic event with his/her parents rather than the team transportation, it must be first approved by the coach and a note signed by their parents must be given to the coach. Coaches will convey individual sport rules regarding transportation at the beginning of the season. Student Athlete's will only be permitted to ride home with his/her parents/guardian.

**Awards:** Awards will be given in the following categories:

- Certificate of Participation
- 1<sup>st</sup> year award: Letter
- 2<sup>nd</sup> year award: Medal

- 4<sup>th</sup> year award: Plaque

**Special Awards:** Cheerleaders will receive a letter as a 1<sup>st</sup> year award in each varsity sport (football & basketball). They will only receive one 2<sup>nd</sup>, 3<sup>rd</sup>, or 4<sup>th</sup> year award, but will receive gold bars for additional sports in which they cheer.

**Requirements for Lettering:**

Varsity Football, Basketball, Bowling and Volleyball – Participate in at least ½ the total number of Quarters/games.

Wrestling – A wrestler must wrestle in 50% of the regular season scheduled duals, tri meets, quad meets or tournaments and have a minimum of a .500 win record or be a district qualifier. If a wrestler is academically ineligible for part of the season they will not receive a letter.

**Good Standing:** To receive any East Knox award at the end-of-season banquet, the student-athlete must be in good standing. A student-athlete considered in good standing has not quit the team or have been denied participation from the team, etc. Student athletes not in good standing cannot receive any East Knox post-season award.

**Special Circumstances:**

1. At the discretion of the head coach in coordination with the athletic director.

**Parent/Coach Relationship:**

Communication you should expect from your coach:

- Philosophy of the coach
- Expectations the coach has for their athletes
- Locations and times of practices and games
- Team requirements such as fees, special equipment, summer conditioning
- Discipline that results in denial of participation

**Communication coaches expect from parents:**

- Concerns expressed directly to the coach
- Notification of any schedule conflicts well in advance
- Positive support for all team members

**Appropriate concerns to discuss with coaches:**

- The treatment of your child mentally and physically
- Ways to help your child improve
- Concerns about your child's behavior
- Schedule conflicts

**Issues not appropriate to discuss with coaches:**

- Playing time
- Team strategy
- Other student-athletes

Do not confront a coach after a game or practice. This is an emotional time for all involved. Meetings of this nature do not promote resolution. When you have concerns please contact the coach to schedule an appointment with them. If additional assistance is needed please contact Scott Brickner, Athletic Director at East Knox High School 740-599-7000 ext. 2007.

## **DRUG TESTING POLICY**

The EAST KNOX SCHOOLS Board of Education Drug Testing Policy was formed because of a concern that alcohol and illicit drugs may be used by EAST KNOX HIGH SCHOOLS students. The EAST KNOX SCHOOLS Board of Education desires to implement a policy which will attempt to provide this district with a safe and healthful student program. This policy reflects the EAST KNOX SCHOOLS Board of Education and the community's strong commitment to establish a truly drug and alcohol free school program. Because of the pervasive nature of drug use in our local schools, EAST KNOX SCHOOLS have selected student athletes, students who participate in competitive extra-curricular activities and students who along with consent from their parents, volunteer to be tested, for inclusion in the testing pool. This policy applies to all athletes, volunteers and competitive extracurricular activities from grades 9-12.

**Purpose of this policy shall be:**

1. To provide a healthy and safe environment to all students participating in the athletic and extracurricular program.
2. To discourage all students from using drugs and alcohol:  
Students will assume all responsibility for regulating their personal lives in ways that will result in becoming healthful members of a team and worthy representatives of the school and community.
3. To provide students with the opportunity to become leaders in the student body for a drug free school.
4. To provide solutions for the student who does use drugs and alcohol.
5. To provide the school with positive guidelines and disciplinary policies for violations of the drug free policy.
6. To encourage those students who participate in athletic and extracurricular programs to remain drug free and alcohol free.

The program does not affect the current policies, practices, or rights of the District regarding student drug and/or alcohol possession or use, where reasonable suspicion is established by means other than drug testing through this policy. The drug testing policy is non-punitive.

Student involved in extra-curricular activities need to be exemplary in the eyes of the community and other students. The drug testing and education policy is designed to create a safe, drug free environment for students and assist them in getting help when needed. Although students risk the loss of continued participation in extra-

curricular activities, no student shall be suspended or expelled from school as a result of any certified “positive” test conducted by his/her school under this program.

No student will be penalized academically for testing positive for banned substances. The results of drug tests will not be documented in any student’s academic record.

Any student in grades nine (9) through twelve (12) and his/her parent(s) or legal guardian(s) must first sign a drug testing registration/consent form in order to be eligible to participate in any one (1) or combination of the following:

- Athletics
- Competitive extra-curricular activities

**Definitions:**

**1. Student Athlete:**

**5. Illegal/Illicit Drugs:**

the use of prescription and non-prescription drugs, provided the substance is: (a) authorized by a medical prescription from a licensed physician and kept in the original container, which shall state the student's name and directions for use of (b) an over-the-counter medicine.

## **Types of Testing:**

### **1. Team Testing:**

At the beginning of the school year, all eligible students may be required to submit to urine drug and alcohol testing. This testing will be completed within the first two weeks of the school year and/or season on a specified date and time. The collection process will take place on school property or at a Board of Education approved testing facility. The Head Coach or Advisor is responsible for ensuring that all student athletes/extra-curricular members and their parent/guardian/custodian properly sign the "INFORMED CONSENT AGREEMENT" prior to testing. Any student who moves into the District or joins a team after the team testing date shall be automatically added to the next random test.

### **2. Random Testing:**

Random testing shall be done throughout the school year. Each team may have up to 50% of its eligible students tested per random selection. A student may be tested more than once per school year. In the event of a positive test, the specimen will be sent to a laboratory for confirmation of results and a certified Medical Review Officer will determine the results.

### **RANDOM TESTING WILL BE PAID FOR BY THE EAST KNOX SCHOOLS.**

#### **a. Random selection of student athletes:**

The Athletic Director, under the Principal's supervision, will use a system to ensure that students are selected in a random fashion. This system may include computer generated random numbers or names or by pulling numbers from a pool of numbers equal to the number of eligible student athletes.

#### **b. Scheduling of random testing:**

Random testing will be unannounced. The day and date will be selected by the Athletic Director and confirmed with the building administrator. Random testing may be done weekly.

### **3. Drugs for which athletes may be tested:**

LSD, Alcohol, Marijuana, Amphetamines, Methadone, Anabolic Steroids, Methaqualone, Barbiturates, Nicotine (Tobacco), Benzodiazepines, Opiates, Cocaine, Propoxyphene (Darvon), or any substance included in U.S.C. 802 (6), which an individual may not sell, offer to sell, possess, give, exchange, use, distribute, or purchase under State or Federal Law. This definition also includes all prescribed and over-the-counter drugs being used in any way other than for medical purposes in accordance with the directions for use provided for in the prescription or by the manufacturer.

### **4. Collection Process (Urine Screens):**

The student will be notified to report to the collection site. A specimen from the student will be collected as follows and all students must follow this process:

- a. All students must have a picture ID or be identified by the Athletic Director or Principal. No exceptions will be allowed.
- b. Drug testing area must be secured during the testing.
- c. Only lab technicians, designated school administrator and students will be witnesses to the test.
- d. Privacy must be kept for all students.

- e. The Athletic Director is responsible for ensuring that all of the forms are completed and signed by both parent/guardian/custodian and student. No student is to enter the collection site until forms, money and proper ID are completed.
- f. When students arrive and cannot give a sample, they will need to start drinking water, pop, or juice. After 36 oz. the human body will need to urinate.
- g. No bags, backpacks, purses, cups, containers or drinks will be allowed to enter the collection area. All coats, vests, jackets, sweaters, hats, scarves or baggy clothing must be removed before entering the collection site. Only pants and t-shirts or dresses may be worn in the collection area. Any infringement of the rules will result in the student taking the test over.
- h. Students processed by the lab technician who cannot produce a sample will be kept in a secured area to wait until they can test. If they leave this area they will not be allowed to test. They are not to have contact with anyone until after the sample is given.
- i. Students will be asked to hold out their hand and a sanitizer will be put on their hands or will wash hands with water. The bathroom personnel will add a dye to the toilet.
- j. Students will be asked to urinate directly into the collection cup given to them by the lab personnel. The lab technician will stand outside the stall and listen for normal sounds of urination.
- k. Any and all adulterations of the specimen will be detected and considered the same as a test refusal or 1<sup>st</sup> time infraction. (The lab checks every sample for adulteration, such as additives you drink or add to urine to change the sample.)
- l. Adulterations: We will treat adulterations and diluted samples as first time offenses. They are not called positives but have the same consequences. A retest will be required within 24 hours.
- m. Any suspicion of tampering with the sample will be brought to the tester's attention. The sample will be screened or sent to the lab for immediate confirmation of tampering.
- n. The sample must be taken in one attempt and be at least 30 ml in size. The student must hand the cup to the lab technician.
- o. Students are not to flush the toilets or urinals. In the event that a student flushes the toilet he or she will be required to give a new sample immediately or the sample will be invalid.
- p. With student watching, the lab technician will recap the sample and hand it to the student who must then return it to the intake technician. In the event that the student does not hand the cup directly to the intake technician, the sample is invalid and a new sample must be taken. If the student leaves the collection area or has contact with anyone, the sample will be invalid and the student will have to give another sample.
- q. This collection procedure is subject to change because of procedural requirements by the testing agency. The School Board reserves the right to change the collection procedure to coincide with the testing guidelines set forth by the testing agency.
- r. When using rapid screens, all non-negative screens will be sent out with a chain of custody to a certified laboratory for confirmation. A Certified Medical Review Officer will verify the positive test.
- s. Any student that tests positive will have to be tested weekly for the term of a 5 week program with drug counseling at the expense of the student and/or parent. Testing will be done by Great Lakes Biomedical only so long as this is the company the school selects.

**5. Results of a positive test:**

Any positive urine drug test results will be made known to the building administrator, who in turn will notify the parents/guardian/custodians and student.

**If a positive test occurs:**

**The 1st Violation**

For the first positive result, the student athlete will be given the option of:

- a. The student will have to make an appointment with a certified chemical dependency counselor (or at an agency certified by the Ohio Department of Health or the Ohio Department of Alcohol and Drug Addiction Services) for chemical dependency assessment and then follow the recommendations of the counselor. The parent/guardian/custodian is responsible for all expenses and for providing the Athletic Department with documentation that the athlete completed all recommendations of the counselor. The athlete will be denied participation for the remainder of the current season or 20% of the next season, whichever is greater. The parent/guardian/custodian and student will meet with the athletic director, the coach, and a building administrator to determine reinstatement. The student may be required, at parent/guardian/custodian expense, to submit to weekly or random testing for the remainder of the current athletic season.

**The 2<sup>nd</sup> Violation**

The student is denied participation for one calendar year from the date of notification of the violation.

**The 3<sup>rd</sup> Violation**

The student is permanently denied participation in athletics at the EAST KNOX Jr./Sr. HIGH SCHOOL. **Violations are accumulative throughout the student's secondary school career (grades 9-12).**

**6. Self referrals**

An athlete may make a self-referral, which can only be done once in 4 years. Self-referrals can only happen before a test is conducted. Counseling, additional testing, and follow through with counselor recommendations are required, but no other punitive action is taken.

## **SECTION IV – STUDENT CONDUCT ATTENDANCE**

### **Early Dismissal:**

No student will be allowed to leave school prior to dismissal time without either: (a) a written request signed by the parent or guardian; or (b) the parent or guardian coming to the School office to request the release. No student will be released to a person other than a custodial parent(s) or guardian without written permission signed by the custodial parent(s) or guardian.

### **School Attendance Policy:**

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Many important lessons are learned through active participation in classroom and other school activities that cannot be replaced by individual study.

Attendance is important in the development of a high quality work ethic that will be a significant factor in a student's success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day on time. This is a habit the School wants to help students develop as early as possible.

### **Denial of Credit due to Poor Attendance:**

Each nine-week grading period a student may not be absent more than 5 days excused or unexcused. Upon the 6<sup>th</sup> absence the student may be denied the opportunity to receive credit for the grading period and the grade may be recorded as an "F". The Attendance Committee will give consideration for medical issues and other extenuating circumstances on a case-by-case basis. Seniors and/or 18-year-old students that have excessive absences may be withdrawn from school by the principal.

### **Tardy vs. Absence:**

#### **Arrival Time**

- 7:35 am – 9:30 am = tardy
- 9:31 am – 11:30 am = ½ day absence
- 11:31 am – 2:20 pm = full day absence

#### **Departure Time**

- 12:31 pm – 2:20 pm = early dismissal
- 10:31 am – 12:30 pm = ½ day absence
- 7:35 am – 10:30 am = full day absence

**In order to participate in an athletic contest or extracurricular activity, students must be in attendance by 8:30 a.m. on that day unless excused with a doctor's note, attending a funeral/calling hours, college visit, or a situation that is approved by the building administration.**

### **Excused Absences:**

Students may be excused from school for one or more of the following reasons and will be provided an opportunity to make-up missed schoolwork and/or tests:

- Court Appearance
- College Visits (Special Absence Request Required)
- Funeral/Death in Family
- Student Illness
- Quarantine of Family Home
- Religious Holidays
- Religious Activity
- Doctor's Note or Medical Related Appointments

**In order for an absence to be validated as an excused absence, regardless of the nature, the note MUST be turned in no later than one week following the absence.**

**Doctor's notes excuse students for 48 hours unless a specific return date is indicated.**

### **Notification of Absence:**

If a student will be absent, the parents must notify the School at **740-599-7000, ext. 2003 by 9:30 am** and provide an explanation. If prior contact is not possible, the parents must provide a written excuse within 2 school days after the student's absence. Written notice provided after 2 school days will require approval by the building principal. **When no excuse is provided, the absence will be unexcused and the student will be identified as truant for that school day.** If the offered excuse for a student's absence is questionable or if the number of student absences is excessive, the school staff will notify the parents of the need for improvement in the student's attendance. A skipped class or part of the school day will be identified as an unexcused absence and students will not be permitted to make-up missed class work. The student will also be subject to disciplinary action. Students with a health condition that causes repeated absences must provide the administration with an explanation of the condition from a registered physician.

### **Truancy:**

Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for schoolwork that is missed. A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, or forty-two (42) or more hours in one (1) month, or seventy-two (72) or more hours in one (1) school year. In addition, a student will be considered habitually truant if the student is absent, **with or without a legitimate excuse**, for thirty-eight (38) or more hours in one school month, or sixty-five (65) or more hours in one (1) school year. Students that are habitually truant (and their parents/guardians) will meet with the District Absence Intervention Team to develop solutions for better school attendance. If a student is still habitually truant and the student's parent has failed to cause the student's attendance, a complaint will be filed with the Judge of the Juvenile Court in compliance with State Law and Board Policy 5200.

### **Homebound Instruction:**

The School may arrange for individual instruction at home for students who are unable to attend school because of an accident, illness, or disability. Such instruction may be arranged upon receipt of documentation of the student's condition from a physician. For more information, contact the Guidance Counselor, ext. 2008.

### **Make-up of Tests and Other School Work**

Students who are absent from school with an excuse shall be given the opportunity to make-up missed work. **The student should contact their teachers as soon as possible to obtain assignments.** The number of days

for completion of make-up work will be equivalent to the number of excused days of absence. **Please Note: This is the student's responsibility.**

If a student misses a teacher's test due to an excused absence, he/she should make arrangements with the teacher to take the test at another time. If he/she misses a State mandated assessment test or other standardized test, the student shall consult with the Testing Coordinator to arrange for administration of the test at another time.

### **Suspension from School:**

Absence from school due to suspension shall be considered an authorized absence, unexcused. Students are still required to complete any assignments missed during the suspension for credit.

### **Unexcused Absences:**

Any student who is absent from school for all or any part of the day without a legitimate excuse shall be considered truant and the student and his/her parents shall be subject to the truancy laws of the State. **(Please refer also to "Truancy" above.)**

### **Tardiness:**

Each student is expected to be in his/her assigned location throughout the school day. If a student is late arriving at school, he/she must report to the School office before going to his/her first assigned location. Any student who is tardy to class up to three minutes shall be referred to the office.

### **Tardies:**

Students may be assigned a consequence for each unexcused tardy after 3 and up to 10 per semester. Students who are tardy more than 10 times in a semester will face additional consequences that may include but are not limited to suspension and loss of driving privileges. In addition, a full absence will be added to student records after every 4<sup>th</sup> tardy per semester (8 tardies = 2 absences or 12.5 hours).

### **Vacations During the School Year:**

Parents are encouraged not to take their child out of school for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the Principal to make necessary arrangements and complete the special absence request form. It may be possible for the student to receive certain assignments that are to be completed during the trip.

## **CODE OF CONDUCT**

A major component of the educational program at East Knox Jr./Sr. High School is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards.

### **Expected Behaviors:**

Each student shall be expected to:

- abide by National, State, and local laws as well as the rules of the School;
- respect the rights of others;
- act courteously to adults and fellow students;

- be prompt to school and attentive in class;

- place coats and hats in their assigned locker upon arrival to school and remain there until the end of the day.

## **DRESS CODE**

The dress code is designed to promote professionalism, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. A student shall observe the Student Dress Guidelines while in school, attending a school-sponsored activity or acting as a representative of the East Knox Local School District. Such guidelines shall prohibit student dress or grooming practices which:

- Present a hazard to the health or safety of the student himself/herself or to others in the school.
- Materially interfere with schoolwork, create disorder, or disrupt the educational program.
- Cause excessive wear or damage to school property.
- Prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.
- Are in conflict with etiquette and basic moral standards of the community.

### **Student Dress and Grooming:**

Students are expected to dress appropriately at all times. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted.

- Students must be clean and practice good personal hygiene, and have a hairstyle that is neat, clean, and well groomed: Any hairstyle that is distracting to the educational environment is prohibited.
- Clothes shall not advertise profane, pornographic, suggestive, alcoholic, diabolic or unhealthy life styles, or other forms of offensive lettering or designs (included in this list are beer/alcoholic beverage ads/logos or tobacco ads/logos).
- Students must wear shoes or sandals without heel plates.
- See-through or other revealing clothes are not to be worn. Baggy pants are OK but “droopy drawers” are not.
- **Pants are not to be worn that have excessive holes even if shorts are worn underneath. This includes but not limited to holes in the thighs, crotch, and backside.**
- No halter-tops or midriffs are permitted. All tops at minimum must be the width of three fingers. The neck and arm openings are to be modest in scope unless it is worn as a vest over another top.
- Appropriate undergarments must be worn.
- Shirts or dresses that contain spaghetti straps may not be worn.
- Hats, headscarves, hoods, bandanas and coats are not to be worn in the building during school hours (unless given permission by building administration). Students are to leave these items in their locker upon arriving to school.

- Clothing that is excessively tight is not permitted. Included in this group are the biker shorts and stretch pants unless worn with a layered outer garment of modest length.
- All dresses, skirts, and shorts are to be of modest length (to be measured by placing hands to the side, and ensuring that the dress/shorts/skirt, etc. extends past fingertips).
- Clothing that is excessively torn, frayed, worn, tight or loose fitting, is NOT permitted. Also, underwear is NOT to be seen.
- No chains, spikes, spurs, dog collars, straps or handcuffs of any kind will be worn to school or attached to clothing.

These are minimum standards. With administrative approval, head coaches, advisors of extra-curricular activities, and teachers of lab and shop courses are authorized to establish any specific, reasonable dress or grooming requirements that they deem suitable for participation in their activity.

**All dress code violations must be corrected immediately upon request of school personnel or disciplinary action will be taken. In order to get students back in class, students may be required to wear alternative clothing in order to correct dress code violations. Students that refuse to do this will be disciplined according to the student code of conduct for insubordination. Repeated violations of the dress code will result in disciplinary action. The administration reserves the right to interpret the rules above on a case-by-case basis.**

Students who are representing East Knox Jr./Sr. High School at an official function or public event may be required to follow specific dress requirements. Usually, this applies to athletic teams, cheerleaders, bands, and other such groups.

#### **Gangs:**

Gangs which initiate, advocate or promote activities that threaten the safety or wellbeing of persons or which are disruptive to the school environment are not tolerated. Incidents involving initiations, hazing, intimidations or related activities that are likely to cause harm or personal degradation are prohibited. Students wearing, carrying or displaying gang paraphernalia or exhibiting behaviors or gestures that symbolize gang membership or causing and/or participating in activities that are designed to intimidate another student will be disciplined. Prohibited gang paraphernalia will be specifically identified and posted by the building principal.

#### **Care of Property:**

Students are responsible for the care of their own personal property. **The School is not responsible for the loss of personal property.** Though not inclusive, valuables such as jewelry, electronics, similar devices, or irreplaceable items should not be brought to school. **Protect yourself; use your lock!** Damage to or loss of school equipment and facilities wastes taxpayers' money and undermines the school program. Therefore, if a student damages or loses school property, the student and/or his/her parents will be required to pay for the replacement or repair. If the damage or loss was intentional, the student will be subject to discipline according to the Student Discipline Code.

**No carrying of stuffed animals, blankets, pillows, or any other item deemed unnecessary and non-conducive to the educational environment. Each case is up to the discretion of the administration.**

# ZERO TOLERANCE

No form of violent, disruptive, or inappropriate behavior will be tolerated.

## STUDENT DISCIPLINE CODE

Violation by a student of any one or more of the following rules on school grounds may result in disciplinary action, including suspension, emergency removal from class and/or expulsion. The rules listed below are in addition to the district's board, discretionary authority to maintain safety, order and discipline inside the school zone. These rules support, but do not limit our authority. The district has jurisdiction over students during the regular school day and while going to and from school on district transportation. The district's jurisdiction includes any activity during the school day in school zones, attendance at any school-related activity, regardless of time or location, and any school-related misconduct, regardless of time or location.

**Disruption of Class/School:** A student will not interfere with school purposes or with the orderly operation of the school by using, threatening to use, or causing other persons to use violence, force, coercion, threats, intimidation, fear, or through disruptive means. This includes being out of an assigned seat, inappropriate interruptions, not following school or classroom rules, etc.

**Profanity and/or Obscenity:** A student will not use profane, indecent, or obscene language, either orally or in writing toward any student, teacher or any other person. Included in this prohibition would be the use of obscene gestures, signs, pictures, publications, and/or clothing with obscene words/pictures/messages.

**Insubordination:** A student will not fail to comply with the directions of teachers, student teachers, school aides, bus drivers, principals, or other authorized school personnel. Teachers are authorized to make any rules to their classrooms and study hall which may aid in the efficiency of the class.

**Truancy:** A student will comply with the compulsory school attendance laws. When a student is absent from school without a legal excuse, the student is truant or tardy. This includes unexcused absences from study hall, class, or any other properly assigned activity (cutting class or being out of assigned area without a pass). The truant officer may be notified.

**Tardiness:** Repeated tardiness is also considered a serious offense as it interrupts the educational process. Tardiness may result in disciplinary action including detentions, in school suspensions and loss of driving privileges. Students have four minutes to get to their next assigned class or assigned area (lunch room, study hall, media center, etc.) and should plan accordingly.

**Public Display of Affection (PDA):** Students will not engage in close physical contact. Any contact beyond holding hands is not permissible.

**Theft/Vandalism/Damaging Property:** Students will not steal, cause damage to, or destroy school or private property. Restitution, notification of law enforcement and/or disciplinary action may result.

Furthermore, students may be disciplined for conduct that, regardless of where or when it occurs, is directed at a Board official or employee, or the property of such official or employee. In some cases, a student can be suspended from school transportation for infractions of school bus rules. **Disciplinary penalties, except where mandated by law, are left to the discretion of the school administration. Each disciplinary incident will be handled on a case-by-case basis.**

### **Types of corrective discipline used for code of conduct violations include:**

**Reprimand** – can be verbal and/or written

**Detention** – can be assigned during lunch and/or after school for up to one hour

### **Formal Discipline:**

Formal discipline removes the student from school. It includes emergency removal for up to three (3) school days, suspension for up to ten (10) school days, expulsion for up to eighty (80) school days or the number of

days remaining in a semester, whichever is larger, and permanent exclusion. Any student who is expelled from school for more than twenty (20) days or for any period of time will be provided with information about services or programs offered by the public and private agencies that work toward improving those aspects of the student's attitude and behavior that contributed to the incident that gave rise to the student's expulsion. The Superintendent, at his/her discretion, may require/allow a student to perform community service in conjunction with or in place of an expulsion. Removal for less than one (1) school day without the possibility of suspension or expulsion may not be appealed. Suspension, expulsion, and permanent exclusion may be appealed. Students being considered for suspension are entitled to an informal meeting with the building administrator prior to removal. Also, students being considered for expulsion are entitled to an informal meeting with the Superintendent or designee prior to removal. During the informal meeting, the student will be notified of the charges and given the opportunity to respond.

Students involved in co-curricular and extra-curricular activities such as band and athletics can lose their eligibility for violation of the School rules. If a student commits a crime while under the School's jurisdiction, he/she may be subject to school disciplinary action as well as action through local law enforcement.

## **DUE PROCESS RIGHTS**

Before a student is suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed. As long as the in-school discipline is served entirely in the school setting, it will not require any notice or meeting, or be subject to appeal.

### **Suspension from School:**

When a student is being considered for a suspension, the administrator in charge will notify the student of the basis for the proposed suspension. The student will be given an opportunity to explain his/her view of the underlying facts. After that informal meeting, the Principal (or assistant principal or other administrator) will determine whether or not to suspend the student. If the decision is made to suspend the student, he/she and his/her parents will be given written notification of the suspension within one (1) day setting forth the reason for the suspension, the length of the suspension, and the process for appeal. The suspension may be appealed, within fourteen (14) calendar days after receipt of the suspension notice, to the Superintendent. The request for an appeal must be in writing. During the appeal process, the student shall not be allowed to remain in school.

If the appeal is heard by the Board's designee, the appeal shall be conducted in a private meeting. If the appeal is heard by the Board of Education, the appeal shall be conducted in executive session unless the student or his/her representative requests otherwise. A verbatim transcript will be made and witnesses will be sworn in prior to giving testimony. If the appeal decision is to uphold the suspension, the next step in the appeal process is to the Court of Common Pleas.

### **Emergency Removal:**

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on the school premises, the Superintendent, principal or assistant principal may remove the student from any curricular or extra-curricular activity or from the school property. A teacher may remove the student from any curricular or extra-curricular activity under the teacher's supervision, but not from the premises.

If a teacher makes an emergency removal, the teacher will notify a building administrator of the circumstances surrounding the removal in writing within one (1) school day. No prior notice or hearing is required for any removal under this procedure. In all cases of normal disciplinary procedures where a student is removed from curricular or extra-curricular activity for less than one school day, and is not subject to further suspension or expulsion, the following due process requirements do not apply.

If the emergency removal exceeds one (1) school day, then a hearing will be held within three (3) school days after the removal is ordered. Written notice of the hearing and the reasons for removal and any intended disciplinary action will be provided to the student, as soon as practical, prior to the hearing. If the student is subject to an out of school suspension, the student will have the opportunity to appear at an informal meeting before the principal, assistant principal, Superintendent or a designee, and may challenge the reasons for the removal or otherwise explain his/her actions.

Within one (1) school day of the decision to suspend, written notification will be given to the parent(s)/guardian(s) or custodian(s) of the student. This notice will include the reasons for the suspension, the right of the student or his/her parent(s)/guardian(s) or custodian(s) to appeal to the Board or its designee and the student's right to be represented in all appeal proceedings. If it is likely that the student may be subject to expulsion, the hearing will take place within three (3) school days and will be held in accordance with the procedures outlined in the Student Expulsion Policy. The person who ordered or requested the removal will be present at the hearing. In an emergency removal, a student may be kept from class until the matter of the alleged misconduct is resolved either by reinstatement, suspension or expulsion.

### **Expulsion from School:**

When a student is being considered for expulsion, the student and parent will be provided with a formal notice of the proposed expulsion. This written notice will include the reasons for the intended expulsion, notification of the opportunity to appear in person before the Superintendent or the Superintendent's designee to challenge the reasons for the expulsion and/or explain the student's action, and notification of the time and place to appear. Students being considered for expulsion may be removed immediately. A meeting will be scheduled no earlier than three (3), or no later than five (5) school days after the notice is given. Parents may request an extension of time for the meeting. The student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice at the meeting.

In accordance with Board Policy 5610, the Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under the Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion will be imposed for the same duration that it would have been had the student remained enrolled.

If a student is expelled, the student and the student's parents will be provided with written notice within one (1) school day of the imposed expulsion. The notice will include the reasons for the expulsion, the right of the student, or the student's parent(s)/guardian(s) or custodian(s) to appeal the expulsion to the Board or its designee, the right to be represented in all appeal proceedings, the right to be granted a hearing before the Board or its designee, and the right to request that the hearing be held in executive session.

Within fourteen (14) calendar days after the Superintendent notifies the parents of the expulsion, the expulsion may be appealed, in writing, to the Board of Education or its designee. A hearing on the requested appeal will be formal with an opportunity for sworn testimony. If the expulsion is upheld on appeal, a student's parents may pursue further appeal to the Court of Common Pleas.

Students serving expulsions will not be awarded grades or credit during the period of expulsion. Expulsion for certain violations including use or possession of alcohol or drugs, may result in revocation of student's driver's license. When a student is expelled, the Superintendent will notify any college in which the expelled student is enrolled under the College Credit Plus Program at the time the expulsion is imposed.

### **Permanent Exclusion:**

State law provides for the permanent exclusion of a student, sixteen (16) years of age or older who engages in certain criminal activity. Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one (1) or more of the following crimes while on the property of any Ohio school:

- A. conveying deadly weapons onto school property or at a school function;
- B. possessing deadly weapons onto school property or at a school function;
- C. carrying a concealed weapon onto school property or at a school function;
- D. trafficking in drugs onto school property or at a school function;

- I. complicity in any of the above offenses, regardless of the location.

This process is formal and may follow an expulsion with the proper notification to the parents.

### **Discipline of Students with Disabilities:**

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Act (I.D.E.A.), and where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973.

### **Suspension of Bus Riding/Transportation Privileges:**

When a student is being considered for suspension of bus riding/transportation privileges, the administrator in charge will notify the student of the reason. The student will be given an opportunity to address the basis for the proposed suspension at an informal meeting. After that informal meeting, the Principal (or assistant principal or other administrator) will decide whether or not to suspend his/her bus riding/transportation privileges for all or part of the school year. If a student's bus riding/transportation privileges are suspended, he/she and his/her parents will be notified, in writing within one (1) day, of the reason for and the length of the suspension.

## SEARCH AND SEIZURE

School authorities are authorized to search a student or his/her property (including vehicles, purses, knapsacks, gym bags, etc.) with or without the student's consent, whenever the School authorities reasonably suspect that a search will lead to the discovery of evidence of a violation of law or school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. General housekeeping inspection of school property may be conducted with reasonable notice. Student lockers are the property of the District and students have no reasonable expectation of privacy in their contents or in the contents of any other District property including desks or other containers. School authorities may conduct random searches of the lockers and their contents at any time without announcement. Unannounced and random canine searches may also be conducted.

Additionally, students have NO reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms and gymnasiums. The District may use video cameras in such areas and on all school vehicles transporting students to and from regular and extra-curricular activities.

Anything that is found in the course of a search may be used as evidence of a violation of school rules or the law, and may be taken, held or turned over to the police. The School reserves the right not to return items that have been confiscated.

**Electronic devices may be searched. No privacy is expected and inspection of such devices is permitted by school officials if school rules are believed to be violated.**
