- Applicant must be entering a field of study directly related to financial/resource management (such as business administration, economics, public administration, accounting, finance). Applications that do not fall within these fields will not be considered.

SELECTION PROCESS: Applicant's scholastic achievements, leadership ability, extracurricular activities, career/academic goals, and financial need will be considered and must be documented in letters of recommendation and summarized on the form. A selection panel, chaired by a member of the ASMC Buckeye Chapter Scholarship Committee, will review all applications received and make final recommendations to the ASMC Buckeye Chapter Executive Committee, who will approve the final award winners. Students will be notified in March if their application has been selected as a winner. Checks are mailed directly to the school once a college acceptance letter has been received.

RECOGNITION: Scholarships will be presented to the winning students at the Buckeye Chapter April Scholarship Luncheon. Notification of college enrollment will be required before disbursement of the scholarship check(s) to the winner(s). The award presentations and names of recipients may be publicized at local chapter meetings, newsletters, and at www.asmcuckeye.com. The ASMC Buckeye Chapter may submit scholarship winners to ASMC National for an opportunity to earn additional scholarships.

DEADLINE: Applications must be received by the ASMC Buckeye Chapter no later than **February 29, 2020** to be considered by the selection panel. No exceptions to this deadline will be allowed. Any applications received incomplete or after this date will not be considered for selection.
